

Summer WORKSHOPS

Join us to learn more about local conservation.

Conserving Minnesota Loons

Learn about banding programs, habitat restoration efforts, and what you can do to help protect Minnesota's state bird. This is an in-person workshop with a field component aboard the National Loon Center's StewardShip on Cross Lake, so dress for the weather. Spaces are limited. [Register](#)

Thursdays: 2:30p-4:30p and 5:00p-7:00p

May 30 | June 27 | July 25 | Aug 22 | Sept 19

Landowner Conservation Options

Discover conservation options available to Minnesota landowners, information about how to identify which program is right for you, and how to apply to participate. This is a virtual webinar in partnership with the Minnesota Land Trust.

Wednesday, June 5, 2024 | Time: 6:00pm - 7:00pm | [Register](#)

Tuesday, July 30, 2024 | Time: 6:00pm - 7:00pm | [Register](#)

Cabin Succession Planning

Learn about preserving your lake property and legacy. Experts will present options for passing on your land to your heirs and for protecting its conservation value. These workshops are offered in a hybrid format with in-person and virtual options available.

Wed. June 12, 2024 | Time: 3:30pm - 5:00pm | Crosslake | [Register](#)

Thurs. June 13, 2024 | Time: 3:30pm - 5:00pm | Longville | [Register](#)

Conservation for Lake Associations

Delve into the intricacies of establishing a conservation committee. Our panel will share their experiences and invaluable advice, offering firsthand insights into overcoming obstacles and maximizing conservation efforts to preserve lake.

Thurs. Aug. 15, 2024 | Time: 2:30pm - 5:00pm | Backus | [Register](#)
